

ENQUIRY REPORT OF SARVA SEVA SANGH ON BHOODAN LAND SCAM IN UNDIVIDED ANDHRA PRADESH

BHOODAN MOVEMENT

In Telangana, at the Shivrampalli *Sammelan*, Acharya Vinoba Bhave announced that he intended going to the Telangana region where the Communists on the one hand and army on other had created a complicated situation. Leaving Shivrampalli he reached Pochampalli, a village of about 3000 population in Nalgonda district which had grown an important centre of Communist activities. Bhoodan movement was born in this village on 18th April 1951 in Pochampally village in Nalgonda. Knowing the great man's reputation, the Harijans of the village asked if he could make their lives better. When Acharya asked what could he do to them, the 40 Harijan families suggested they all would be living good if they have 80 acres of land to till, 2 acres each for family. Even while Acharya Vinoba Bhave was thinking how to accomplish, a local landlord V. Ramachandra Reddy stood up with folded hands and conveyed to the Acharya that he would part with half of his 200 acre land for the Harijans as that was his late father's wish – to donate 100 acres to deserving people. Thus, the Bhoodan movement was born in Telangana with a 100 acre donation and Pochampally famously became Boodan Pochampally. History is witness to the fact that slowly the Bhoodan movement became the biggest social movement in India of its time and collected about 45 lakh acre of land as donation.

BHOODAN LAND AND THE EMERGING CHALLENGES OF ANDHRA PRADESH :

The biggest blot on the Bhoodan Board was the illegal sale of Bhoodan land and minting lakhs of rupees through its deal. The Bhoodan Act and also the spirit of Bhoodan was that the land would be given to the landless and they would be able to live a life of dignity with sustainable livelihood. Further to make them self reliance, many organisations worked like ASSEFA lead by Sri S. Jagarnathan had tremendous impact on Bhoodan land in many parts of the country.

The Bhoodan Act was perhaps the most progressive and just Act in the realm of revenue Acts. But some vested and greedy people sold the Bhoodan land to big builders and rich people and took lakhs and crores of rupees in return. This was not only unethical, but also a punishable criminal act. Some people have sold the Bhoodan land that were near the cities and are now shamelessly saying that with that money they have purchased land for the landless in the villages. These people do not have any account of this money. This is a big land scam that they have committed. If the lands were in the cities and the poor and slum dwellers had got it, it would have given solace to Vinoba's soul. But some people have made it their business to earn profit from Bhoodan land. **Under the Bhoodan Act no one has the power to sell the land once given under Bhoodan. Even the landless farmer who is given the land cannot sell it or mortgage it to earn money. He can only till it and earn his livelihood.**

But the evil deed of selling Bhoodan land was done in several States by the Bhoodan committee itself, or fake societies that were formed in the name of Bhoodan. The deed

done by the mischievous people are not mere mistakes due to some misunderstanding, but they have been done deliberately and are crimes in both the criminal and civil law. The laundering of Bhoodan land was mostly done when the land was adjacent to any expanding city and the sky high price of land made it possible for such elements to earn huge amounts of money.

The biggest scam of Bhoodan land was found in Andhra Pradesh, highlighted by the print and electronic media in the year 2010 and 2014 . Since the movement was kicked off some 2,52,119 acres was pledged to the movement. Of this, the undivided AP Bhoodan Yagna Board distributed around 1.08,770 acres till date and the rest 1,43,349 acres are not distributed . Andhra Bhoodan Act enacted in 1965. The provision is that the Bhoodan Board will constitute by the State Government on the recommendation of Vinobaji or Sarva Seva Sangh .

When the missing 76,000 acres of Bhoodan land came to light in 2010 and even figured in the Assembly, the state government promised action within six months. But nothing has happened till date. 76,000 acres has been cornered by non-eligible beneficiaries. Also, much of the 1.10 lakh actually distributed to the landless poor subsequently passed to ineligible persons. The Bhoodan Yagna Board rules stipulate that Bhoodan land cannot be sold.

Consequently, the AP Bhoodan Board is bogged down in litigation, For example, real estates are said to have encroached upon around 600 acres of Bhoodan land in Rayapuram near Bibinagar alone(Sourced by Media) There were several allegations against some of the functionaries of the board. One of them is alleged to have allotted the plot of land to two or three beneficiaries in return for a consideration. There are several irregularities relating to allotment of lands to the poor too as revealed from the discussion with the complainers .

RATIONAL OF THE ENQUIRY(THE SERIOUS ALLEGATIONS ON AP BHOODAN BOARD)

There have been series of allegations reached Sarva Seva Sangh since the scam reports in news papers are high lighted in Vaartha in Telugu and Swatantra Vaartha in Hindi has about the sale of Bhoodan Lands and misappropriating huge amounts of money. The Bhoodan scandal is placed at a whopping R. 3,000 Crore which can be compared to any of the large scale scams of this country. Hundreds and thousands of poor have become the victims of the well organized, highly placed scam. It is a well knit, intelligently planned scam for which support structures were carefully built from around at all levels. Every violent and untruthful means were used like intimidation, false legal cases, circulating letters with allegations etc. AP Sarvodaya Mandal, Sarva Seva Sangh and the larger Sarvodaya Gandhian community and organizations are drawn into this scam which brings a bad name for everyone. The followings are specific allegations on the chairman and Members of the Bhoodan Board .

1. APPOINTMENT OF A.P. BHOODAN BOARD

- AP Bhoodan Yagna Board is appointed by Government of Andhra Pradesh as per AP Bhoodan and Gramdhan Act 1965 on the recommendation of Sarva Seva Sangh which is the nominee of Acharya Vinoba Bhave. From the inception Sarva Seva Sangh recommended the list consisting of a Chairman, Vice Chairman and nine other members of the AP Bhoodan Yagna Board to the Government of Andhra Pradesh.
- In between for some years All India Rachanatmak Samaj (Ku. Nirmala Deshpande) sent recommendation for appointment of the Board to the Government. But no authorization of Nirmala Deshpande as nominee of Vinoba Bhave for the purposes of recommending AP Bhoodan Board could be found.
- In the year 2012 Government of Andhra Pradesh appointed the AP Bhoodan board based on the recommendation of one Veena Behan, President of Mahila Chetna Kendra, New Delhi vide her letter dated 25-7-2012 addressed to the Principal Secretary to Government, Revenue Department. A letter from Acharya Vinoba Bhave dated 6th January 1973 was attached which stated that Acharya Vinoba Bhave appointed Veena Behan as his nominee for appointing Bhoodan Boards. This letter looked very same as the original letter Vinoba had given to Sarva Seva Sangh. This gives rise to a question whether the letter with Veena Behan is a real one or a forged, fabricated letter.
- Sri GV Subba Rao filed a writ petition in High Court of Andhra Pradesh against one Rajagopal who was appointed as a Member of the Board on the recommendation of Rachanatmak Samaj. He argued in the Court that only Sarva Seva Sangh can recommend the Members of the Board to the Government as SSS is the nominee of Acharya Vinoba Bhave. Sri Subba Rao won the case and Sri Rajgopal's Membership in the Bhoodan Board was set aside. Sarva Seva Sangh appreciated and thanked Sri GV Subba Rao for fighting for a right cause and standing with SSS. But the current Board was appointed through a backdoor method which is virtually a fraud on the face of it. The Recommendation was from Mahila Chetna Kendra which is in no way connected to SSS or with Bhoodan Board or Veena Bahan who claimed in the letter to be a close associate of Acharya Vinoba Bhave and recommended in that capacity. But she did not specify if she was appointed by Acharya Vinoba Bhave as his nominee
- for appointing Bhoodan Boards in the Country. That letter from Veena Bahan was taken to Government of Andhra Pradesh and a GO was issued appointing the Bhoodan Board. It appears that the Government was also misled in the process. What surprises in this is that veterans in Sarvodaya and Bhoodan movements like Sri CV Chari, Dr. B. Venkatarama Rao and Sri GV Subba Rao knew that what was going on was wrong and gave their tacit approval to all that was happening. I think this is a betrayal of SSS and giving up all the Gandhian values in the process.
- It is against this background one should see how AP Sarvodaya Mandal was truncated and reduced to a nominal organization without any 'real life' in it. It could not contest, challenge any wrongs in the Sarvodaya organizations. The thrimurthis were silent when Sri Rajender Reddy removed the office of APSM and occupied it, when he tried to become its President. The connections among these and other Bhoodan Board members should be thoroughly investigated into.

VINOBA NAGAR DEVELOPMENT SOCIETY (VDS)

- Vinoba Nagar Development Society (VDS) was formed in 1978 as a Society Registered at Hyderabad. Sri CV Chari was its founding Secretary and key functionary. Currently Rajender Reddy became the President of VDS.
- On 17-7-1986 AP Bhoodan Board issued Proceedings allotting 100 acres of Bhoodan Land in Ibrahimpatnam in RR Dist to VDS.
- On 17-1-2006 Mandal Revenue Officer of Ibrahimpatnam issued a Putta Certificate in the name of VDS, represented by Rajender Reddy. A Putta Pass Book was issued (No.2448) with Rajender Reddy's name and photo on it. The Pahani document mentions clearly that this is Bhoodan Land and it cannot be sold.
- Rajender Reddy made a Sale Deed on 12 June 2008, representing VDS in favour of Sri Ambadas (who is now a member of Bhoodan Board) and others for sale of 50 acres which is illegal and against the spirit of Bhoodan.
- On 8 August 2008 (just within two months) Ambadas and others sold 15 acres of the 50 acres they bought from VDS to Kamadhenu Dairy Products of which Rajender Reddy is the Managing Director. Thus Bhoodan land is made into a private party by Rajender reddy and others.
- Out of the remaining 50 acres with VDS Rajender reddy gave 35 acres on lease to his son, Gunna Krishna Chandra and to M. Aruna, Wife of Ambadas and others for 30 years on 8 April 2009.

All these transactions are done by Rajender Reddy as member of Bhoodan Board and it is difficult to believe that these things are not known to Sri CV Chari , Dr. B. Venkatarama Rao or Sri GV Subba Rao.

Sarva Seva Sangh should conduct a thorough enquiry into the dealings of all these individuals, the organizations they are associated with and the way in which Bhoodan Board is constituted through a fraudulent procedure, and the specific allegations that appeared in the press and how they tried to silence those who brought their allegations by implicating them in false cases.

INTERVENTION OF SARVA SEVA SANGH SANGH AND ACTION OF TELENGANA NEW GOVERNMENT :

Since the scam issue was unresolved even after the media highlighted the issue repeatedly, there the President of **Sarva Seva Sangh Sri Mahadev Vidrohi**Therefore Sarva Seva Sangh took a decision for a thorough enquiry into this and it should be found out under whose authorisation it was sold or illegally distributed to the people other than the landless people .The complains made by common people on the illegal sale of Bhoodan land was a challenge for Sarva Seva Sangh .

The former president Radha Bhatt and the present president Sri Mahadev Vidrohi along with GVVSDS Prasad jointly visited Hyderabad and submitted memorandum to the Honourable Governor of Andhra Pradesh and discussed in depth on the misuse of Bhoodan land appealed for immediate enquiry and action against the people involved in the Bhoodan land scam . As the appointment of the chairman by Government was also challenged due to fraud authorisation also prayed to dissolve the Board .The team also met and appraised the Secretary revenue, Director General of Police for immediate enquiry .

After the new Government formed in Telengana the State Government has dissolved the Bhoodan Board on 5th July 2014 with a notification issued vide letter number G.O.Ms.No.11 .The Government has appointed principal secretary (Revenue) as authority to exercise the powers and discharge the duties of the Telangana Bhoodan Board. Immediately files of the existing AP Bhoodan Yagna board have been moved from it's present headquarters in Gandhi Bhawan to CCLA office. The files are now under scrutiny to see where all the bhoodan land was and how much of it is transferred or sold illegally.

An enquiry committee was constituted by the President of Sarva Seva Sangh and an office order issued for the enquiry on the Bhoodan land scam and related issue with following contents . A committee was appointed to enquire the following issues under the convenor ship of Aditya Patnaik the trustee of Sarva Seva Sangh along with four members .

Context of the Enquiry

For the last several years serious complaints have come to Sarva Seva Sangh regarding illegal sale and transfer of Bhoodan lands in Andhra Pradesh. Several News papers have published details through their columns which brought discredit to Bhoodan and even Sarvodaya movement.

In the year 2012 Andhra Pradesh Bhoodan Yagna Board was constituted by employing illegal, irregular and fraudulent means. In a planned process, a fabricated letter was used in which it was stated that Acharya Vinoba Bhave authorized one Veena Behan to recommend names to the State Governments for constituting State Bhoodan Boards while in fact Acharya Vinoba gave the authorization to Sarva Seva Sangh in 1973.

The Government of Andhra Pradesh constituted AP Bhoodan Yagna Board in 1978. This was published in the Official Gazette of the Government of Andhra Pradesh. It appears to be a deep conspiracy that AP Bhoodan Yagna Board was constituted in violation of the authority given by Acharya Vinoba Bhave.

Sarva Seva Sangh organised its Karya Samithi Meeting in Hyderabad on 3-4 May 2014. While this meeting was to be held in Osmania University, the University Officials received threatening calls. We had to shift the venue of the meeting from Osmania University to Gandhi Darshan. The meeting was disturbed on 3rd May by using a group of hired people who barged into the meeting, shouted slogans and distributed unrelated pamphlets, damaging the serenity of the meeting. On 4th May when the Karya Samithi Members visited Bhoodan Pochampally, there was a group shouting slogans, giving representations etc. The sacred Vinoba Mandir was removed which is a place of pilgrimage for all Sarvodaya persons in the country.

The pamphlets distributed were aimed at defaming a colleague of ours with wild allegations involving character assassination, alleging fraud and such things. The Pamphlets contain no names, address, phone number or email for further contact.

All these are considered an attack on Sarva Seva Sangh, Sarvodaya Community and organizations. Sarva Seva Sangh takes all the above matters seriously and appoints a committee to inquire thoroughly into all the above matters, particularly :

1. Fraudulent constitution of the APBhoodan Yagna Board and illegal sale and transfer of lands, Cheating of many individuals
2. Attack on Sarva Seva Sangh during the Executive Committee Meeting on 3-4 May 2014 at Hyderabad and BhoodanPochampalli
3. Allegations in the Pamphlet distributed on 3rd May on a Functionary of Sarva Seva Sangh.
4. How AP Sarvodaya Mandal was used to support the people in the Bhoodan and their fraudulent activities.

The Committee Members :

1. Prof. Somnath Rode, President, Maharashtra Sarvodaya Mandal
2. Sri Ravindrasingh Chouhan, Ex-President, Uttar Pradesh Sarvodaya Mandal
3. Sri Gouranga Mahapatra, Convener, Bhoodan-Gramdan Samithi
4. Sri Aswatha Narayan – Karnataka Sarvodaya Mandal
5. Sri Aditya Patnaik – Trustee, Sarva Seva Sangh (Convener of the committee)

AUTHENTICITY AND LIMITATIONS OF THE ENQUIRY

With the above background ,the office order by Sarva Seva Sangh was passed by the President on 3rd July 2014 for the enquiry in to the Bhoodan land issues under the parameters with Terms of Reference TOR. The enquiry report made by a committee of four members is not a statutory one for any organisation other than Sarva Seva Sangh .The report is based on the allegation letters addressed to the President of Sarva Seva Sangh on Bhoodan Scam ,Media reports ,Interview with the complainers ,Interview with the Bhoodan beneficiaries, Members of the dissolved AP Bhoodan Board , Office bearers ,State Sarvodaya Mandal,Discussion with Prof.Sudhir Chandra Reddy the son of Sri V. Ramachandra Reddy ,discussion with the principal secretary of Revenue and

Police department ,Field visit and personal interaction with few Gandhians and Sarvodaya workers of Hyderabad. Therefore this report is made only for the Sarva Seva Sangh for further action and correction on the issues related to Bhoodan land irregularities in un divided Andhra Pradesh .

ENQUIRY MODALITIES

Notices were served by registered speed post to 22 persons of AP Bhoodan Yagna Board functionaries and the affected people who were cheated with promises of allotting Bhoodan Land. Some of them reported the enquiry committee and few did not turn up may be they were scared to face with pressure .The following persons are the prominent personalities invited for the discussion.

On the first day of the enquiry 4th August about 200 people attacked the enquiry place in Gandhi Bhavan to disturb and terminate the Inquiry process. Fortunately, the Police had arrived just then and could protect the Meeting. Had there been any delay in the arrival of Police, it would be difficult what would have happened.

It should be noted here that this is not the first time that such attacks took place. Whenever Sarva Seva Sangh took an initiative to deal with AP Bhoodan Scandal, such attacks were made so that the process is disturbed and the issue diverted.

Sri C.V.Chari,Former chairman and member of Bhoodan Board, Sri G. Rajendra Reddythe Chairman of Bhoodan Board ,Sri G.V.Subbarao the Member of Bhoodan Board,Sri K.V Subbarao,Dr.B.Venkatarama Rao, Sri Balajee the petitioner, Shankar Naik the victim, Prof Sudhir Chandra Reddy the son of V.Ramachandra Reddy. Dr.G.Muniratanam, Sri M. Amba Das, Dr.Veena Bahan,Sri Raviprolu Subhramaniyam and the members of Vasavya Mahila Mandal ,Shadnagar and many others who complained against the misuse of Bhoodan land.

Sri Ravindrasingh Chouhan could not join the team owing to his health problem.The team of rest four met at Gandhi Darshan Hyderabad on 4th August for briefing on TOR and modalities. The Police commissioner of Hyderabad and the Begum Bazar Police Station were informed in advance anticipating disturbances from the scammers .

Enquiry Schedule

4th August 2014 ,Hyderabad

9.30 am Briefing the Terms of References and enquiry modalities at Gandhi Darshaan

- 10.30 Arrival of the committee members at Gandhi Bhawan and meeting the complainers ,Bhoodan Board members and related people who are affected by the land scam .
- 12.30 pm Meeting the Board Members of Vasavya Mahila Mandal ,Shadnagar
- 1.30 pm Meeting the members and office bearers of Vasavya Mahila Mandal ,Shadnagar
- 4.00 pm Meeting the individuals and media
- 6.00pm Discussion with GVVSDS Prasad and his wife Kranti .
- 7.00 pm Discussion with the members of Enquiry committee and planning for 5th August

5th August 2014

- 9.30 am Field Visit by a team two members to MEERPET VILLAGE of RANGAREDDY
- 10.30 am Meeting with the Principal special Secretary of Revenue , Telengana and Joint secretary of Andhra Pradesh .
- 2.0 pm Visit to Vasavya Mahila Mandal ,Sadnagar
- 5.00 pm. Consultation with the Advocates, Social leaders and de-briefing the Committee members on two days proceedings .

PROCEEDINGS OF THE ENQUIRY :

INTERVIEW OF THE PETETIONERS AT GANDHI BHAWAN HYDERABAD

The committee felt to record the statement of the complainers and the members with an affidavit for legal authenticity but the situation became violent and a mob about 200 people confronted with the petitioners and tried to enter the enquiry room of AP (Telangana) Sarvodaya Mandal Office with intention to terminate the enquiry process in Gandhi Bhawan . Fortunately, the Police had arrived and could protect the Meeting. . Had there been any delay in the arrival of Police, it would have been difficult to save the lives of the committee members and Prasad Jee .All these were designed in concurrence and approval of the corrupt office bearers of Bhoodan Board who are involved in sale and scam of Bhoodan land .However an advocate was arranged at the request of the members for witness to the proceedings.

Statement of the people who complained and Bhoodan Board members .Despite of the confirmation of Mr. G .Rajendra Reddy he did not come to Ganhdi Bhawan till 3. 00 pm but others were like Sri Charry, Dr.Boinpalli Venketaraman , Prof SC Reddy , G .Subbarao , VVVSD Prasad cooperated for the discussion .

1. Name:Rathlavath Shankar Naik,Son of Balia Naik, Age: 65 years,

Occupation :Social Worker, Resident of: H. No. 11-62, Meerpet, Chintalutta, Saroornagar Mandal, Ranga Reddy District

I am the Deputy Secretary of Adivasi Maha Saba. In the year of 2009, Sri C V Chary and Rajender Reddy made plots of 100 square yards each in Survey No. 67 and 68 of Bhoodan Land at Adibatla Gram Panchayath, Ibrahimpatnam Thahil, Ranga Reddy District, and issued proceedings in the name of Beneficiaries. They collected 70 thousand from each beneficiary Hari Naik, Raghu Pathi Naik, Ghouse are some of the sufferers. They started an office at Hasthinapuram, Ranga Reddy District and made all transactions from this office. So many adivasis came to me with a grievance of land allotment and I came to Sri C V Chary the Chairman of AP Bhoodan Board to enquire the same. Sri C V Chary said that we have not distributed any land and he called Sri Rajender Reddy to enquire the same. I explained to C V Chary about the cheating cases against Sri Rajender Reddy. I made representations to all political personalities and also to the apex body of

the Sarva Seva Sangh about the same. I made representations in the year of 2010 also, but they managed all officials, and they made false allegations against me. I opposed when they want to made Sri Rajender Reddy as president of Sarvodaya Mandal of Andhra Pradesh in 2012 . They spent Rupees 5 crore to send me to the jail. I went to jail on the above complaint. I am having all the papers to prove the same. They made a group of fifteen people to harass me and fabricated false cases against me . They made an attempt for compromise. I made so many attempts to enquire the same and still I am continuing. Till today no Adivasi is benifited from Bhoodan land and the board. The Bhoodan Land allotted to the Real Estate, Cine Actress like Srikanth, Late Soundhraya etc., at Rajendra Nagar. Ex Revenue Minister of Andhra Pradesh State Sri Dharmana Prasad's involvement is in this Ghotala. I am not involved and benefited from the Bhoodan Board. I am fighting for the people more particularly Adivasi People. I lodged a complaint against Sri Rajender Reddy, C V Chary, Ambadass, recently, and the police issued FIR. Till today they are not arrested. I made a complaint before LOKAYUKTHA too and it is pending till today. I request you to take proper action and punish them as per law.

Shankar Naik Singed before at Hyderabad Advocate

2. Name: C Prathap Reddy Son of Yadagiri Reddy Age: 72 years,

Occ: Agriculture, Resident of: H. No.2-72 Kuntloor Village, Hayath Nagar Mandal, Ranga Reddy District

Survey No. 204 to 225 and 230, 232 of Kuntloor Village is belongs to Sri Pulla Reddy, Jagirdar. Pahani (Record of Rights) for the 1955 to 58 and for the 1973-74, Government made authentic document for Record of Rights. Now I am the owner and possessor of the property in the said survey numbers to the extent of Ac. 96.27 Gts., situated at Kuntloor Village. Mr. Rajender Reddy erected a board stating that the said land belongs to Bhoodan Board. I opposed at various forums and won the cases at various levels including High Court of Andhra Pradesh. It reflects how Mr. Rajender Reddy is doing illegal things to acquire and misuse the public land for his vested interest.

C Prathap Reddy

3. Name:Gunti Satyanarayana Son of Yellaiah Age: 72 years,

Occ: Agriculture, Resident of: Ibrahimpatnam Village, Ranga Reddy District

I am from Ibrahimpatnam Village, I am owner of the Survey No. 1/69 and 58 to the extent of Ac. 5.00 Gts., situated at Ibrahimpatnam. My father was the allottee of the said land form Bhoodan Board. When I went to the land, Mr. Rajender Reddy occupied the said land including the surrounding lands and allotted to various companies. Rajender Reddy gave plot to Ambadas in the said land.

I filed criminal cases against Sri Rajender Reddy, but they managed all the officials. I request you to enquire the matter and give back my land. They are demanding money for giving back my land and using money and muscle power against me.

Gunti Satyanarayana

4. Name:Mr.C.V Charry ,Former Chairman of AP Bhoodan Board

In the year of 1978, I become Chairman of Bhoodan Yadgna Board. I know that Mr Rajender Reddy obtained a letter from Nirmala Deshpande, other than Sarva Seve Sangh. We have to belive that Nirmala Deshpande having real authorization as representative of Vinoba Bhawe . I was the member of the Board under chairman of Rajender Reddy. Sarva Seva Sangh was silent in this issue since long time. Rajender Reddy assigned many works at his tenure as chairman. Now a days Sarva Seva Sangh is active. I believed that Veena Kumari letter. The matter is in the court, as such I do not want to comment on these issues.

When you are chairman of the board, one T Satynarayana took Ac. 4.00 Gts., and one Rajender Reddy was the organizer questioned by the enquiry committee. He said that, we made a mistake, as such the government cancelled the same. T Satyanarayan the biggest land grabber bribed every one, and took permission from Gram Sabha, they went to court on cancellation, and obtained stay. The case is still pending. Government took initiative and they will cancel the same. We can allot the land to the individuals but in this case, Sri Satynarayana obtained Gram Sabha letter from various 3 to 4 Gram Panchayaths. As such we recommended the same. But latter was cancelled by the Government and they obtained stay on that order. The Sarva Seva Sangh has to recommend to enquire and cancel the wrongful allotments in this period.

I am not aware of the distributions of leaflets against Sri Prasad ji at Sarva Seva Sangh meeting held at Hyderabad. Mr. Subba Rao knows very well, because he belongs to Mahaboonaagar District.

When I was Chairman, Octopus compensation distributed to all the beneficiaries. If any complaint is made out, I am ready to take appropriate steps.

The alleged opponents of Prasad from Mahaboonaagar came to Gandhi Bhavan, and they know that the meeting is at Exhibition Grounds. And they came there. I surprised on this issue. They came to Gandhi Bhavan at 10 Am and they arrived at venue at 1.00 pm. I through out the leaflet at the instance when I handled it. I am not aware of the issues against Mr. Prasad.

I am denying that Bhoodan Board is not cooperating the work of Sarvodaya Mandal. And I cooperated all the authorities of Sarvodaya Mandal.

Subba Rao took Mr. Rajender Reddy and made him Chairman, and he claimed that, he is from my district. As to him Mr Rajender Reddy is a knowledgably person.

The reason behind the publicity and media coverage about the ghotala, the land rates were immediately hiked. I am waiting for the Government steps on this issue. Government is enquiring on this, as such we are silent on this issue.

I am not a member of Gandhian Global Family Trust. Rajender Reddy is having capacity to organize. I know Sudheer Chander Reddy is chairman of the said trust. Sudheer Chandra Reddy is one among four five children of Ramchandra Reddy of Pochampally.

There was a problem of four acres land at pochampally at Ramoji Film City. I want to hear only good things but not bad things...

I am trustee of Gandhi Bhavan, This is the first time to see the police in this premises on the issue of Bhoodan Board. Rajender Reddy having so many enemies. To compensate the IDPL land owners I purchased 1200 acres as per court order and distributed to them.

After becoming Chairman of Bhoodan Board, Mr. Rajender Reddy is never informed me on the issues. He was member, organizer, chief organizer and then member of Bhoodan Board, and then he become chairman.

Donation receipt of Bhoodan Board is not having any survey number, only it contains serial number. Every rupee is deposited in the bank and audited every year. When we are opposing illegal activities, they become enemies to me.

Mr Prasad stating that, On that day, University officials requested us to change the venue, only four persons know about the change of venue. Somebody advised to shift the venue to Gandhi Darshan, at 7.45 pm we informed about shifting the venue.

5. Statement of Prof. Vedula Sudheer Chandra Reddy

S/O V. Rama Chandra Reddy, Age: 73 years, Rtd Professor, Agr. University, Resident of: Plot No. 19, Green Hills Colony, Street No. 8, Hyderabad 500 007

Mr C V Chary was the Chairman from 1978 to 2012. One Beena Bahen's alleged letter, Mr. Rajendra Reddy become Chairman of the board. They misused the authority and made so many mistakes. I am having information through news papers and I am having that clippings. I came to know through one news paper "Namasthe Telangana" dated 20th July 2014, about this irregularities.

I request Sarva Seva Sangh to do justice for the poor people as shown the path of Vinobha and Gandhiji. Enquire about Three thousand crores of scandal of bhoodan lands and take initiations for punish them.

Just 18 days after sad demise of my grand father, Sri Vinobha ji came to my village, there was a naxal movement at that time in my village. My father welcomed Vinobhaji with grand manner.

On the allegation of Four acre of land transfer through allegation letter of Pochampalli villagers, he says

I am not a part of donation of four acres to the weavers cooperative near Ramoji Film City. I was living at USA and Pondichery that time. Just I came to Hyderabad in the year 2005. I used to visit Hyderabad in those days, but I was in Pandichery Ashram. I am not aware of those incidents in those days at Pochampally and other Bhoodan Lands mismangement.

I am not aware of the incidnet of encroach of four acres by my family members. I came to know that my **elder brother's son sold the said four acres to the society**. I follow the footsteps of my father. It is a wild allegation that I am not a son of Bhoodan Ramchandra Reddy.

Recent past I attended various Gandhian Meetings, they requested me to make an effort to strengthen the movement. Now ground reality is the present board members are well connected with politicians and high level influence. On 4th May 2014 Mr. C V Chary countered me at the meeting. "C V Chary Zindabad" was the slogans there to elivate Mr. Chary. I wrote a letter to Sri Mahadev Bhai on the incidnets and my inner feelings about the ghotala.

Please treat this movement as punitive one, and built the organizatioin by inviting capable persons in the organization.

I earnestly pray to you and Government to select capable persons to run the movement. I am not having any name in my mind as on today.

6. Name: Boinpally Venkata Rama Rao

I am not aware of the schandels in Bhoodan Lands. One person from Kareemnagar told me that he paid one lakh rupees to C V Chary. Since 1978 I am the member of the Board, but I resigned in the month of February after knowing about schandels. I have not involved in the policy matters of the board. I asked to Rajender Reddy about the allegations, he denying the allegations. I am not aware of Rajender Reddy's appointment as State Organizer and I came to know the information through news papers. When I came to know about Veena Bahen's disagreement about letter, I resigned from the board. I am ready to face any enquiry like CBI, I will say only that " I am not aware of the incidents"

Now I came to know about the scandal, but I am not able to prove the case. As such I am not participated in the meetings and I resigned from the board.

7.Name: G V Subba Rao Age: 81 years, Occ: Sarvodaya Worker , Resident

ofSarvodyaBhavan,Nagarkarnool, Mahaboobnagar District.

In the year of 1955, I collected land from village, Just I had my lunch where I collected land and at a stretch, we distributed the same.

1965, Bhoodan Board constituted; I entered into the board in the year of 2000. I am not aware of the nomination of Veena Bahen, just I attended the meeting. No information for members about nomination. I am not aware of constitution of the board. I came to know about Veena Bahen's recommendation after six months, and I reported the same to the Sarva Seva Sangh in the year of 2013. Some mismanagement was occurred in the board. But the press people showed this as a big issue. The mismanagement was occurred in the Vinobha Development Society. Mr. C V Chary, Kodanda Ram Reddy made this

society. Total land is 100 acres. C V Chary resigned from the society chairmanship and assigned the same to Rajender Reddy in the year 2005-06.

Rajender Reddy was a influenced person and working leader, as such C V Chary assigned those works to him. I deposit Rupees one lakh as challenge by proving that I am having 150 square yards at any place allotted by the Board. I have not receive any donation by recommending beneficiaries. I collected two Lakh from the beneficiaries for the purpose of Bhoodan Board.

There were 70 lakhs transaction between Balaji and Rajender Reddy. Balaji Demanded for recovery of the said money. Rajender Reddy pay back the said amount to Balaji. And I saw the receipt at Rajender Reddy. Balaji collected all the details of the land of Bhoodan Board. Balaji lodged a complaint on Bhoodan Board. There were compromise talks between them. The cost of compromised five acres was one crore each. Balaji lodged complaint against the board after taking the five acres from the board.

The former chairman of dissolved Bhoodan Board Mr. Rajendra Reddy avoided this group for interaction and submission of his deposition about the allegations made against him despite of his confirmation earlier and several request by the team members.

8. VASAVYA WOMEN'S RESPONSES:

Pamphlets were distributed in the Hyderabad Karyasamithi Meeting in the name of Vasavya Mahila Mandal defaming Prasad with fraud, character assassination. The inquiry Committee sent notice to the Vasavya mahila Mandal at the address in the pamphlet. (it was a false address) A group of 20 members of Vasavya Mahila Mandal presented themselves before the Committee with their identity Cards. The President and other Functionaries produced Bank Pass Books of Vasavya Mahila Mandal with their photos attached to them as authorized persons to operate the Bank Account. They categorically declared that Vasavya Mahila Mandal is not a party to the attack on Sarva Seva Sangh's karya Samithi Meeting and some people used their name fraudulently.

The committee could obtain the identity of those women who attacked and submitted a petition to the President of SSS but the letter of mine was not responded . An Advocate of Andhra Pradesh High Court was appointed by Prasad to conduct an inquiry and report. He met some of the women and men who took part in the attack on 3rd May and he was told that these people were brought to Hyderabad as a hired group by paying their daily wages and some extra money for the leaders, a Lunch and transport. They were brought to Gandhi Bhavan first and were trained how to disturb and attack Prasad as he is the person who is leading against the Bhoodan land scam.. In fact, when Sri Rajneesh, Secretary of Gandhi Samadhi Samithi, New Delhi went to the agitating

women, they caught hold of him thinking him to be Prasad and attacked him. Most of them do not know who was Prasad.

However the team could find the mischievous elements involved in blaming the image of Prasad so that the leadership in Sarvodaya Movement will not further generate .The Vasvya Mahila Samiti was used by the hired women to prove that Prasad is not honest and has cheted women with fabricated stories . He was not jailed as revealed by Kranti the wife of Prasad but detained in police station in Sadnagar for a night as allegations were fabricated on land issue to defend his popularity and emerging leadership . The team could not enquire further due to paucity of time .It is also found that the bank operation is not updated and reflected only old deposits . The authorized signatories are found correct as President, Secretary and the treasurer and the land in the name of VASVYA MAHILA SAMITI is still protected by the office bearers . The said land was the target of the opponents to own with the help of the left oriented group who created problem when Prasad was working actively with the help of Gandhi Peace Center .

(Translation of the representation given by Vasavya Mahila Mandali to the Committee)

04-08-2014

To

National President,
Sarva Seva Sangh

From:

Vasavya Mahila Mandali,
Shadnagar,

We are the members of Vasavya Mahila Mandali. We are running this organization for 25 years. We are running this organization with the help of VASORD. The VASORD is helping us by way of advises, as such we running the mandali successfully.

Recent past, with the name of our Mahila Mandali, some persons created problems at the venue of Sarva Seva Sangh Meeting. We are not concerned to the said group. We request you to enquire at our villages to know the ground reality.

They are the hired people, and misused the name of our mahila mandali.

Bharathamma

President

Vasavya Mahila Mandali

Mobile No: 9666610800

Representatives from the Mahila Mandali presented before the committee

Bharathamma, President

Danakka Jyothi

Gudem Anuradha

Konduru Samuel

Few main petitioners like Mr. Balajee could not meet the team as he was prevented by some people on the way to Gandhi Bhawan and he felt threatened to meet the enquiry committee. His complain letter is enclosed herewith to understand the gravity of fraudulent activities of the Bhoodan Board.

THE WITNESS OF KARYA SAMITI DISTURBANCES AT GANDHI DARSHAN

Sri Raviprolu Subrahmanyam was witnessed to the disturbances on 3rd May of Sarva Seva Sangh Karyakari Samiti meeting at Gandhi Darshan who went to Gandhi Bhavan by mistake instead of going to Gandhi Darshan. He found the women who were being trained there for the agitation. His deposition to the President of SSS is submitted :

On 5th August morning, the team decided to handle the enquiry in two groups. One group to discuss with the revenue department and Home department and other group to move to the field to see the present position and authenticity of the allegations made by the various groups regarding sale of Bhoodan land in Andhra Pradesh.

The Group, Sri Aditya and Prof. Rode met Sri B.R. Meena IAS, Principal Secretary, Revenue, Govt. of Telangana at 11:00 am. He had been dealing with the Bhoodan Board for a long time in the erstwhile composite Andhra Pradesh State and is aware of the irregularities during 2012 when the Board was reconstituted. He said that the Government will go into the details of the functioning of the Board and its decisions whether they are in tune with the objectives and principles of Bhoodan Movement and set the record straight. The AP Bhoodan Yagna Board was dissolved and all the records, belongings were moved into Government Office of Chief Commissioner Land Administration (CCLA) on 5th June, 2014. The Principal Secretary was appointed as the Administrator of the Board for six months and the new Board should be constituted within this time frame. He is fully aware of the right of Sarva Seva Sangh to recommend names for Constituting the Board and that the Veena Behan's recommendation letter was either a forged document or she was part of the episode. He suggested that Sarva Seva Sangh should show the original recommendation letter of Vioba Jee and come forward with the list of names for constituting the new Board.

After the Team met the Principal Secretary and came out of his Chamber, we met Sri B. Damodar who was Secretary of AP Bhoodan Yagna Board. He wrote a letter to the Principal Secretary to Govt. (Revenue) in reply to a letter addressed to AP Bhoodan Board that Veena Bahan is the Nominee of Vinoba Bhave. The question was specifically asked by the Government before Constitution the Board in 2012 as to who is the Nominee of Acharya Vinoba Bhave for this purpose. It was a blatant misleading of the Government, falsifying document, suppressing facts to get the Bhoodan Board Constituted in an immoral way. That letter refers to Sarva Seva Sangh , "Yes it is in existence and it is functioning under the presidentship of su.sri. Radha Behn butt at wardha. The government also came to the conclusion through these misrepresentations, falsifications that, 'in view of non existence of the nominee of Acharya Vinoba Bhave, also suggest necessary amendments to the Act and Rules'. The functioning of AP Bhoodan Board for last so many years and its letters, correspondence and legal opinions submitted decimated Sarva Seva Sangh as the Nominee of Acharya

Vinoba Bhave. But it is an unfortunate and painful reality that APSM had been under the control of that very Bhoodan Group.

In an informal talk to the Committee Members, Sri Damodar said that each of the Members of the Board were benefited to a large measure. He said that Sri GV Subba Rao must have taken some 200 house plots and the like. The interests of these Members are tied with the Board and see the strength of APSM as a threat to what they were doing. They never allowed in the past so many years growth of APSM and always kept it in a close control. A simple question, "What is the status today of an organization which is at the State Level and part of a National Organization having Gandhian Legacy and existing for more than 50 years ?" would answer what had happened.

While returning from the special secretary office ,it was surprised to see Prasad was charged with a summon by a police constable and asked him to report Sadnagar police station as one FIR lodged in sadnagar police station on 3rd May 2014 by the women disturbed in the Karya Samiti meeting of SSS. It was also surprised the group how the constable recognized Prasad and got the information about his movement . The constable also went to the residence of Prasad in Banjara Hills where Kranti the wife of Prasad was insulted and questioned with threats if Prasad does not surrender in Sadnagar police station , she may face the consequences. After the intervention of Sanjiv the Sadnagar police station Inspector instructed the constable to return back without arrest .

Anticipating further harassment and physical assault on Prasad and the group made an appointment with the new DG of police and briefed on the situation and police harassment at the behest of Rajendra Reddy . The DG police advised to lodge a complain to the state CID for depth enquiry and assured to support the enquiry under his capacity .

The plan for field visit to Sadnagar could not be possible due to the disturbances and it was apprehended that the hired group may create further problem as we were not prepared to face . The members met the enquiry committee at Gandhi Bhawan claiming that they are the office bearers of Vasva Mahila Sangathan with proof of Bank records and deposits.

It is clear to understand that the motive of the ousted Bhoodan Board chairman Mr.Reddy donot feel guilty despite of media,Assembly and Government action . He still uses all kind of means as he has accumulated enough financial resources , uses to defend any power for his victory .

The second groupSri Goranga Mohapatra the convenor of the SSS Bhoodan Committee and Sri. Aswatha Narayan, Sarvodaya Mandal. Bangalore moved to the field in guidance of some local people suggested by Prasad.

It is intimated that an area of Ac.1,95,509 of land have been donated by different benevolent donors to Andhra Pradesh Bhoodan Board out of which an area of Ac.1,22,682 acres of land is used as Agriculture and an area of Ac.72,827 of land is fit for

home stead purposes. In the present demand of house site in the Urban areas, this home stead land is in heavy stress of illegal sale, which has been done by the then AP Bhoodan Board Office bearers .With this illegal land deal the Board chairman and members have earn huge money illegally in refusing the long cherished ideals of Bhoodan Movement ,land to the land less.

Prior to visit the field, the studied the Land distribution policy made by the Andhra Pradesh Bhoodan Board on 1.4.99. It is very idealistic in nature and the policy made in four parts in describing details of nomination of beneficiaries, percentage of land to be distributed among down trodden and other people, the premium fixed to pay to the Bhoodan Board and cancellation of allotment if it violate the rules of AP Bhoodan and Gramdan Act, 1965. The team could not verified the record position of alleged land as all the records of AP Bhoodan Board has been seized by the Telangana Government Revenue Department by dissolving present Bhoodan Board on 5.7.14. We found an interesting clause in the said policy at section A in point No.6 that “to materialize the Bhoodan activities, we seek to unite the Five powers of the society i.e. Peoples’ Power, Knowledge Power. Yagna Power, Power of Mahajan (Moneyed men) and Power of Administration.

It was stated by Vinobaji in one of his deliberation that “to unite the people to make the Movement wider and to involve all sections of the people of the society to complete the Bhoodan distribution and proper management of the land to finish the landless people of the Country”. But the allegations of Andhra Pradesh show that all above powers are united to grab the Bhoodan land donated in the State by misusing the ideals of Vinobaji.

It is also revealed from the discussion with various people during enquiry that “Early 1981, the dry land belongs to Bhoodan Board and closer of urban areas have been illegally allotted to different cream layer men of Hyderabad city and illegal premium had been collected by the Board against the Bhoodan ideals.

The Government of the Andhra Pradesh has enacted a rule empowering the Bhoodan Board to collect donation from the beneficiaries during allotment of land and this rule has been misutilized by the AP Bhoodan Board. As per allegation, it is mentioned that a sum of Rs.1,00,000/- has been fixed as one time premium for an area of Ac.1.00 of land and Receipt for an amount of Rs.1000/- is issued in two parts like Rs.350/- for Bhoodan Board and Rs.650/- for State Sarvoday Mandal. The said receipts have been signed by the Secretary and Cashier of Bhoodan Board and President of Sarvoday Mandal, Mr. G. Subha Rao, who is one of Jamunalal Bajaj awardees for the year 2013. But the practical situation is different. When and where the allottee of Bhoodan land defaulted to pay the amount demanded, the Tahasildar concerned has been moved to cancel the ROR recorded on recommendation and issue of Bhoodan proceeding in their favour.

The question is “Why the illegal activities of Bhoodan Board has been supported by the Local Administration- Mandal Officers(Tahasildars) and other Revenue Officials.?”

It is important to discuss here that how a person named Gunna Rajendra Reddy, who is brought by G. Subha Rao to work as a Bhoodan worker under Andhra Pradesh Bhoodan Board became State Bhoodan Organiser in 2004, Bhoodan Board Member in 2009 and finally Chairman of Bhoodan Board in 2012. He also tried to be the Chairman of State Sarvoday Mandal, which could not be worked out due to the observation report of Sri . Aditya Patnaik as an observer of AP Sarvodaya Mandal Election.

From very beginning, G.R. Reddy, charged with sale of Fake Certificates to the Students and imprisoned too. G. Subha Rao nominated him for Bhoodan Work along with consent of C. V. Chary, the then president of Bhoodan Board from 1973 to 2012. Sri Reddy, as stated by Smt. Amrutama of the village , is a good Business Manager and he was required by Sri C.V. Chary and G. Subha Raoji for proper earning of money by utilizing Bhoodan property. There were more experienced persons in Bhoodan activities in Andhra Pradersh but Sri Reddy was given the responsibility of Ac.100.00 Vinoba Nagar Development Society land. Further he was given the post of State Bhoodan Organiser with the Power to sign documents to collect money. He also permitted by the Chary and Subha Raoji to run separate Bhoodan office at Kotapet to prepare sketch map, land plotting plans and other field activities by taking technical persons solely to transfer the Bhoodan land illegally. The said office is also running till today at Kotapet after even seizure of the documents etc. by Government. It was revealed that in the name of digitalization of Bhoodan records, Sri Rajendra Reddy has copied out all records and uses it to transfer the land with his signature and wilful approval of Chary and Subha Raoji.

We started field visit from 10 am on 5.8.14.

MEERPET VILLAGE: SAROOR NAGAR TAHASIL:
DIST:RANGAREDDY

Mr. Aswatha Narayan and G. C. Mohapatra group had visited Meerpeta Village Bhoodan land. This was donated by Tigla Krishna Reddy and family for an area of Ac.15.00 in the year 1955. It was revealed from the discussion with the people in the field that Mr. Keshav Reddy, the second generation member of Tigla K. Reddy family able to get back Ac.5.00 of land from Bhoodan Board through an agreement to share the sale value among Chary and Rajendra Reddy. The said land was sold with the help of Saroor Nagar Tahasildar and Bhoodan Board to different people. Srinibas Gas godown established here over Ac.1.50 of land and another 20 plots under constructions of Buildings.

Further Survey No.33 and 34 have been sold by Rajendra Reddy by making 315 plots for construction of Teachers Colony. Mr. Y. Sudhakar, the leader of the Teachers Association has erected a sign Board on the said plot. The agreement was to pay Rs. 3,00,000/- per plot measuring an area of 150-200 yds. 50% of payment already paid to Bhoodan Board and the possession of said land till yet not handed over claiming rest of money with levy for delay. We could not meet Mr. Y. Sudhakar for further interaction. However this was evident with photographs for further discussion.

ADIBATLA VILLAGE: IBRAHIMPATNAM TAHASIL: DIST. RANGAREDDY.

(PART-I) Survey No.51,52 &53 Total Area Ac.300.00

We visited Adibatla Village Part-I in presence of Shankar Naik, Amrutma, Ms. Shanta, Amina Begum, Semim Sultana, Mumtaz, Md. Ghouse, Dora Satyanarayan, Kartik and two others deputed by PRASAD for the purpose. It was revealed that there was Ac.300.00 of Bhoodan land available in the aforesaid Survey numbers. Out of that an area of Ac.150.00 of land has been taken by government on acquisition for Aero Space (Helipad) managed by TTS Company. AP Bhoodan Board has taken 50 crores of rupees as compensation. As we asked about the matter to Chariji, he expressed that the money have been distributed among the grantees. But the people objected that all the money taken away by the Chari and Rajendra Reddy with false vouchers to Government. It was also alleged that all Sarvodaya and Bhoodan Office bearers have been involved in this transaction.

An area of 120 acres has been distributed to the well to do persons of Nadargool Village. They are not cultivating the land but leasing out the land. To verify this allegation, we rushed to the agriculture field where some people were present and engaged in tilling. We came to know that the person is ADIVAIYA and belongs to Nadargool village. He is a share cropper and taking the land on lease for an amount of Rs.30,000/- per annum for six acres. The said land was granted to Balaya Goud and Bichhipati Goud.

The Goud families are residing in the Town. ADIVAIYA cultivating the land since its allotment. He is a poor but he could not be considered as a grantee or allotted a piece of

land by Bhoodan Board. This is the ground reality towards ideals of our senior and dedicated Bhoodan Sarvoday workers of Andhra Pradesh.

EVIDENCE -II IN THE SAME VILLAGE:

After a few yards distance, we found a family, migrated from Mehboob nagar and engaged here in cultivation. They have taken Bhoodan land on lease from the grantee Balraj Goud of Nadargool with an annual amount of Rs.30,000/-for six acres. They expressed that the lease amount is heavy, we are getting no profit except our labour. We several times have approached Bhoodan Board for a piece of land, but as we poor, we could not give them money. So we are deprived. They were Bathela Nageya and Parvatalu, completely landless agricultural labourers. We have shocked with their expression and felt how the poor are ignored and moneyed are privileged.

In this village, we found 770 homestead plots marked with Cement Pillars and red colour on the Top for an area of Ac.30.00. The plot size is 120, 150 and 200 yards. The lay out plan prepared by Rajendra Reddy team at his Kotapeta office and signed by C.V. Chjary, Rajendra Reddy and R. Keshavalu on the strength of Chairman, State Organiser and Secretary of Bhoodan Board, AP. The said plots have been sold to different persons with a cost of 50,000/-, 75,000/- and 1,00,000/- according to the size of the plots. As alleged, the transaction was made on 21.10.2005 and the possession is not yet delivered as some of the builder are desirous to take such land. The beneficiaries have been demanding more money by Reddy or to handover the papers to Builders. It is however, a process of better determination of immoral attitudes for selling of Bhoodan land with full involvement of Chari, Subha Rao and Rajendra Reddy.

ADIBATLA VILLAGE , PART-II. Survey No.67 & 68 measuring an area of Ac.20.00

The said area also used as homestead purposes through the same process i.e. lay out plan and plotted schemes. About 600 small and big plots have been prepared and sold to different people at the cost of 70,000/- per plot. The proceedings (Bhoodan Patta) have been issued with approval of Chairman and Secretary in the year 2009. The document has signed by Rajendra Reddy, State Organiser, Bhoodan Board.

Mr. Lal Mohmmad and others have filed complain against Shankar Nayak before the Committee regarding taking money from them to allot plots in Sy. No.67 & 68. We

invited the applicants and Sri Naik to the field for proper verification. Naik was remained present but Lalmohammad and his associates avoid the team and did not come. Hence, it was difficult to believe the allegation filed against Shankar Naik. We felt that the Shankar Naik repeatedly sending allegations against Bhoodan Office bearers of Andhra Pradesh and the allegation against Naik is false and fabricated to demoralize him. It also mentioned here that Sri Naik has been dragged to jail with some false cases generated by the associates of Rajendra Reddy to harass the whistle blowers against the irregular Bhoodan activities going on in the Andhra Pradesh.

ADIBATLA VILLAGE- PART-III, Survey No.87-88, Area Ac.16.00

This land is situated near to the outer of Hyderabad –Bangalore Ring Road and in front of New building of Tata Consultancy Service (TCS). This land was donated to Bhoodan Board. The successors of the Donor in connivance with local Revenue Officials and Rajendra Reddy as Chairman and taking No Objection certificates from him to sold out the land. One small corner portion of the said land is earmarked by erecting a Sign Board as Govt. Land. Private parties have started their building. It was stated by D. Satyanarayan, a close associate of Rajendra Reddy.

BATASINGARAM VILLAGE: HAYAT NAGAR TAHSIL: RANGA REDDY DIST. Survey No.319 Area. Ac.19.00

This land was donated to Andhra Bhoodan Board by Mohd. Jahangir Gouri on 31.01.56. Initially, Ac.1.00 was distributed to Moosa Ali and Ac.15.00 was lying vacant since years together. In the course of time, it was occupied by the Donors family members and leased out to two numbers of Housing Company for construction of Flats in the year 2005. During this period, Sri Rajendra Reddy has started its' own Real Estate business with the help of his brother-in-law, who is an Advocate in profession. They got informed about this Bhoodan land and the matter was discussed in the Office. Finally, R. Keshavlu, the then Secretary of Bhoodan Board had filed a civil suit against those companies bearing No.O.S.No.1012/2005 to restrain Housing Corporations to occupy Bhoodan land and to declare the title of the land in favour of Bhoodan Board. It was decreed in favour of the Board as an exparte on 17.04.06. The opposite parties were absent and filed no statement about their claim. Then the Bhoodan plotting project was initiated in

the said village in the Signature of C.V.Chary and Rajendra Reddy. The lay out plan of Ac.13.35 Gunthas had been finalized and Bhoodan Patta issued at the cost of Rs.30,000 to 50,000/- each as per size of the plots in favour of deserving persons of the Town. Then the grantees had sold that land to the builders as they had not contested the civil suit for early finalization. Distribution of Bhoodan Proceedings and transfer of land to the builders made on 4.1.2009.

It may be mentioned here that the Bhoodan Sarvoday **Karyakarta** of Andhra Pradesh have used their Legal Knowledge in each case of Bhoodan land transfer to maintain their clean image even earning thousand crore of illegal money for their royal enjoyment.

MANKHAL VILLAGE: MAHESWARAM TAHASIL: RANGA REDDY DIST: Survey No. 435 Ac.12-27 & No.132 Ac.7.33

This land has been donated by one benevolent donor Mr. Fakir Ahmed on 19.08.55. The said land was recorded earlier in the name of Sasikala Reddy W/o Sudarsan Reddy, Survey No. 435 Acr. 12.17, R. Krishna Reddy S/o Addal Reddy, Survey No.132/6, Ac.5.37 and Mushriga Rao Reddy S/o Narasingha in survey No.132/A for an area of Ac.1.36.

We found an interesting case, where the revenue officers have extended their support to use the land professionally.

The matter is such: all the above lands have been re-recorded in the name of Bhoodan Board, AP as directed by the Collector, Ranga Reddy vide letter No. E-5-2923 Dtd.30.08.2006. Tahasildar, Maheswaram Mandal has taken steps on request of Bhoodan Board vide their L.No.C/32/2006 Dtd.4.11.2006 to record the land in favor of Board. Within 48 hours, the Tahasildar, Maheswaram has passed order to record the land vide their L.No.D/1181/2006 Dtd.6.11.06. It is strange, how a Govt. Official done the work so promptly. As per my experience with Revenue Officials, it is not possible to work out the Bhoodan proposal within 48 hours for the interest of the people and without any personal interest? So, it is clear case of Black Hand business behind this ROR Correction. The Tahasildar has referred Govt. of AP Memo No.41950/ASN-I (I) dt.17.06.97 and order of Joint commissioner No.D-5/3349/04 Dtd.5.3.2005 to justify the action taken by him. The said pro-active action of revenue authorities on restoration of land from the grantees without any notice and short duration of time creates more questions. **The ambition behind this case is confirmed from the newspaper cutting published in Telugu Daily ENADU on 23.09.11 that an area of Ac. 20.00 of Bhoodan land in the Mankhal Village pertaining to survey No.435 and 132 under Maheswaram Tahasil was sold in 4 crore of rupees.**

It is further pertinent to mention here that a Lay out plan of 1078 plots has prepared in congregation of survey No. 447, 449, 450 & 453 extent of Ac. 55.35 G in the said village.

This village is nearer to Rajiv Gandhi International Air Port, Hyderabad and closer to Hyderabad-Sri Sailam High way. The cost of land may be around Rs.50 crore.

It is therefore ascertained that all the office bearers of the then Andhra Bhoodan Board and Sarvoday Mandal are involved in Bhoodan land scam .

DESMUKHI VILLAGE: POOCHAMPALI TAHASIL : DIST: NALGONDA

Survey No.106

The Bhoodan land of survey No.106 have been distributed Ac. 1.00 each to the persons named Sunkari Apparao, CH Vasanta, Motilal T. Baubla, M. Raju Reddy & M. Rajendra by depositing contributions as fixed by Bhoodan Board and Sarvoday Mandal i.e. from Rs.1500 to Rs.2250. They were in possession from the date of allotment. In 2011, the then Secretary of Bhoodan Board has wrote a letter to the Tahasildar, Poochampalli in cancelling the grant as the persons are residing in the Hyderabad City and are not eligible for this allotment. Hence, cancellation and restoration is necessary. The allottees have complained against such cancellation letter. We discussed the matter with C.V Chary and G. Subharao. C.V. Chary took a plea that the matter under subjudice before Hon'ble High Court, I cannot say anything. **But G.Subharao expressed his views very distinctly and openly. He said that the said land was distributed to the persons as part of agreement made among Bhoodan Board and G. Balaji. Initially, Balaji was written allegations against Chariji. In 2009, Dr. Sukan Baranth , the then President of Sarva Seva Sangh instructed us to comply the allegations made by Balaji and take care of for the future problems.** Hence one compromise was made between Rajendra Reddy, C.V.Chary and Balaji. As per agreement, the aforesaid land was distributed as per recommendation of Balaji and he withdrawn all petitions and cases filed in different forums. But the reason is not understood , how and why the cancellation of allotment was made.

The compromise case is admitted by Balaji on 4.8.14 at Hotel where the team shifted for safty and security , Hyderabad in front of Aswatha Narayan. **He expressed that the Rajendra Reddy without consent handed over the said land to a Housing corporation, where his younger brother is a partner.** We opposed it, hence this cancellation. The second proposal was to pay Rs.1,00,000 to Rajendra Reddy unit or faced cancellation. **We could not take his deposition of R.Reddy in this matter. Balaji has also Ac.5.00 of land allotted in his favour. That land till yet not recorded in his name.**

It was revealed that Balaji was close associate of Rajendra Reddy in his Kotapet Bhoodan Office. Where the relations of Rajendra Reddy have involved in the Bhoodan land business by making lay out plan and survey, they refused to take Balaji as an associate for many reasons . **From that time, the differences have been created resulted allegations to different forum .**

VINOBA NAGAR DEVELOPMENT SOCIETY MANAGED

By **G. RAJENDRA REDDY, Survey No.58,Plot No.69 Area Ac.100.00**

(A self designed GOSALA run by Gunna Rajendra Reddy with an illegal authority given by the then Chairman, Bhoodan Board of Andhra Pradesh Mr. C.V.Chary)

The Vinobanagar Development Society has been allotted Ac.100.00 of Bhoodan land through Bhoodan proceedings issued by C.V.Chary, Chairman vide Bhoodan Patta No.22948 dt. 17.7.1986 without mentioning any name of Manager, M.D. or such other posts to be the Administrative Head of this Society. In the said Bhoodan Patta, the name of Village mentioned as Saidabad Kanchilo, Survey No.58 Plot No.69. After joining of Rajendra Reddy as Bhoodan worker and promoted as State Organiser of Bhoodan, Andhra Pradesh, and the ownership of Ac.100.00 of land of VDS transferred to his name as representative. He tried to mutate the land in his favour and Tahasildar, Ibrahimpatanam corrected the ROR in his favour and issued Pahani(ROR) vide No.6598/06 Dtd.17.01.06. Further Tahasildar and Dy. Collector, Ranga Reddy Dist. has issued Patta and Pass Book in favor of Sri G. Rajendra Reddy vide No.2448 dtd.18.04.06 and No.431279 respectively. On 09.06.2008, the Chairman of Bhoodan Board accorded necessary permission to G. Rajendra Reddy to sale Ac.50.00 of Bhoodan land. Accordingly, Rajendra Reddy sold the said Bhoodan land to five persons namely M. AMBADAS, K. SRINIBAS REDDY, B. SRIRAMLU, V. SREENU, & B. MADHUSUDAN vide sale deed No.3961/08 Dt.12.06.08 at the cost of Rs.1.50 crores. As per information available from the sources that M. Ambadas is a daily wage earner and paid Rs.14,28,800/- to the Sub-Registrar, Ibrahim patanam as stamp duty for execution of this sale deed. It is clear that, a daily wage earner cannot be able to purchase such land but this is a process created by Sri G. Rajendra Reddy to grab the land as his own.

The most peculiar thing is noticed that, after two months, vide sale deed No.6137/08 Dt.08.08.2008, Mr. G. Rajendra Reddy, purchased Ac. 15.00 of land from Sri M. Ambadas and others as Managing Director, Kamadhenu Diary products Limited on a cost of Rs.60,00,000/- and paid the stamp duty of Rs.5,70,000/- to Government for Registration. The annual income of Sri Reddy is shown in the sale

The annual income of Sri Reddy is shown in the sale

deed Rs.38,000/- per annum. In the meanwhile, Rajendra Reddy became the Chairman of Vinobanagar Development Society from representative and leased out Ac.35.00 acres of land out of remaining Ac.50.00 after previous sale to his own son Mr. G. Krishna Reddy, Smt. M. Aruna w/o M. Ambadas & B. Madhusudan, who is a partner of earlier purchase with M. Ambadas vide lease deed No.1901/09 Dt.8.4.2009.

This is the documental evidence of the fraudulent activities done by Sri Rajendra Reddy with institutional and moral support of C.V. Chary, G.V. Subharao and other senior Sarvodaya and Bhoodan workers related with Gandhi Bhawan, Hyderabad.

On 5.8.14, Aswaha Narayan and Gouranga Mohapatra group proceeded to field visit. After completion of other work, we decided to visit Vinobanagar .This was not intimated earlier to any body. We reached the entrance road of VDS. This is a hilly area. We found the connective cucha road has been cut off by JCB with 3 to 4 fts depth cut-off to block the road for outsiders. This is created not to enter us into VDS. However, with the help of Motor Cycle arranged by Dora Satyanarayan, we both have able to visit the said VDS .

We found that the occupied area may be Ac.100.00 .Which is divided in 4 parts. First part is used as Garrage and dumping yard of JCB and other heavy machines. The second part is used with a double stored building name and style of Vinoba Ashram, where 10-15 nos. of local children are reading .The staff told that it is residential in nature and the students are poor and helpless.

SRI VENKATESWAR DIARY UNIT is functioning in the third of the land. The plant has capacity of producing 3.00 lakh liters of milk per day. The name packet milk is ARUNA MILK. This is named after wife name of M. Ambadas. We saw the labourers are mixing the powder milk packets in a big pot and after chilling, it is supplied to the people with flavor of cow milk.

The fourth part of VDS is GOSALA. This is also leased out to one Tulsiram Marwari of Hyderabad on a monthly rent basis. The said area is used as Sri GOPAL GOSALA. About 80 nos. of calf, bullock, ox and cow are in the said Gosala in two parts. 20-25 milchy cows found. The entire Ac.100.00 of Bhoodan land is used only for personal and family development Society of Rajendra Reddy. No local people are involved in this activity for the community development. This is anti-ethics of Bhoodan Movement. So, it is

complete illegal and misuse of Bhoodan land collected for noble purposes.

ABHAYA FOUNDATION: SURVEY NO. 58 Village-BAGAYAT-IBRAHIMPATANAM

This is a voluntary organization promoting health and education work in the locality. Mr. Balchandran is the founder of the Foundation. He was absent during our visit to the area. It is alleged that the said land was distributed to the local poor people and Sri Rajendra Reddy sold Ac.10.00 of land to the Foundation. Two numbers of building constructed over the said land. Well furnished and modern facilities available in the Foundation.

Mr. Aswatha Narayan talked over phone with Balchandran. He told that, we have taken the land with valid documents. The matter also in the District civil Court for declaration of Title. We are promoting a good job for society. We may not be disturbed any further. It needs detail enquiry of records to get a conclusion about the claim of complainant and the foundation.

FINDINGS :

SILENT ROLE OF SSS ON AP BHOODAN MISUSE :

In 1978 Sarva Seva Sangh recommended names for constituting the Board to AP Government. Thereafter, the recommending was done by Kr. Nirmala Deshpande of Rachanatmak Samaj and after her demise by one Shivanath. Though they were not the Nominees of Acharya Vinoba Bhave then went on doing it term after term. Political equations and influences and other considerations played a role in the Constitution of the Board for about 25 years. It is surprising that Sarva Seva Sangh remained silent all these years and it seems it gave its tacit approval to all that happened. When somebody violates your rights your silence amounts to your approval. Later it will be difficult for you to assert that you had a right. If All India Rachanatmak Samaj recommended names for Bhoodan Board for 5 or 6 terms and Governemnt acted on that recommendation will it not become an established fact? If Sarva Seva Sangh comes up today and stakes its claims for recommending names to the Government, the obvious question would be what had you been doing all these years.

No President of Sarva Seva Sangh took any initiative to protect the rights of the organization. During Radha Behn's term as President an initiative was taken and in the term of Mahadev Bhai as President a serious effort is made. It cannot be an individual decision for the President but it is an obligation to protect the interests

of the Organization and its legal rights. Silence and inaction mean that we voluntarily forfeit our own rights and we will not be able to ask for our rights in future.

It is everybody's knowledge in Sarva Seva Sangh that 'Bhoodan' all over the country lost its moral foundation and its laudable objective – to provide land for the poor in a spirit of sharing which is the operation of Love an important component of Nonviolence. Land values having gone up to amazing levels, there were temptation on the part of those who manage Bhoodan affairs and in other cases, vested interest elements entered Bhoodan Organizations marginalizing the real Bhoodan stalwarts and Sarvodaya People. For carrying on their nefarious and illegal activities, they have weakened Sarvodaya Organizations by infiltrating and capturing. They gained strength and legitimacy over a period of time as they were not checked or challenged.

The source of power and opportunities made Mr. G.R. Reddy confident to sale the Bhoodan Land in Andhra Pradesh without any fear is discussed as follows:-

1. The appointment of G.Rajendra Reddy as Chairman was illegal and fraud .The authorisation letter of Vinoba was fabricated in support of Mr.Reddy who got the best opportunity to grab land and sold the land illegally to many builders, other than the land less people, technical institutions .The authorisation letter of Beena Bahan from Mahila Chetana Kendra is illegal as she was not empowered by Vinoba Jee for nomination any of the Bhoodan Board and Mr.R Reddy as chairman of AP Bhoodan Board is against Bhoodan act.
2. Dr. Veena Behan, President, Mahila Chetna Kendra, F-22, Dutt Colony, New Delhi-110003, Tel: 24620066 wrote to the Principal Secretary to Government, Revenue Department, Government of Andhra Pradesh, Secretariat Building, Hyderabad proposing the names for the Chairman, Vice-Chairman and nine other members for Andhra Pradesh Bhoodan Yagna Board for four Years. One Rajender Reddy State President of Gandhi Global Family Andhra Pradesh Branch had written to the Hon'ble Chief Minister of Andhra Pradesh requesting the Chief Minister to issue a Government Order to constitute the AP Bhoodan Board based on the Letter from Dr. Veena Behan, stating her to be the Nominee of Acharya Vinoba Bhave.

Based on these letters from Veena Behan and Sri Rajender Reddy the Government of Andhra Pradesh issued a GOMS No. 687 dated 14.12.2012 appointing AP Bhoodan Yagna Board . The Chairman, Vice-Chairman, Members of the AP Bhoodan Board indulged in a large scale land sale, graft, illegal activities which were widely reported in the Local News Papers which put the scandal at a whopping Rs.3000 crore.

No.3. Transfer of Bhoodan land has been started in the Andhra Pradesh from the year 1985. But the said transfer got momentum after joining of hands with Rajendra Reddy. **Sri Reddy was earlier a person of selling fake certificates and also**

convicted. Mr. G.V. Subharao arranged him for Bhoodan Board. Bhoodan Board got a good Manager to sale the Bhoodan estate with safe hand .This is first scope for Rajendra Reddy to enter the Malamal society of Bhoodan and Sarvoday in AP.

No.4 In 2004, Sri Reddy has proposed to digitalize the Bhoodan Records through Computers. He was allowed to take all Bhoodan Records to his own Kotapet Office for digital copying. From this verification of records, he got more information on undistributed land and tried to sale those land with approval of Bhoodan Board and Sarvoday office bearers. He got a post of State Organizer of State Bhoodan Board and had a scope to visit all over the State to search land fit for sale. Ac.100.00 of Bhoodan and earmarked for Gosala made him mad to his personal development. He allowed to sign the documents provided to the grantees without any legal sanction of Bhoodan Act.

No.5 After nomination of Rajendra Reddy as Member of State Bhoodan Board of Andhra Pradesh in 2009, some allegations petitions sent to Sarva Seva Sangh by Shankar Naik and G. Balaji against Chary and Rajendra Reddy. One Group of Youth present before the Sarva Seva Sangh meeting and requested to place some live grievances against Bhoodan work of Andhra Pradesh. They have not permitted to do so but they circulated some papers against Chary and others, where Mr. Lavnam, Charyji, G. Subha Rao and other persons from Andhra Pradesh were present.

As Stated by Subharao ji, Sarva Seva Sangh instructed to deal with all allegations made against Bhoodan office bearers. The Bhoodan Office bearers made an agreement with G. Balaji and Balaji withdrawn his allegations. Shankar Nayak refused to withdraw the allegations, so, he has been trapped in Police case with false vouchers fabricated and planted by G. Rajendra Reddy. We could not found any allegation against Shankar Nayak was established during field visit by the team. The persons made allegation against Shankar Nayak were absent despite of many telephone calls.

No.6:-In 2011, Rajendra Reddy became the organizer of Gandhi Global Family. Some powerful persons inthe Congress Ministry are the National and International Office bearers of the said GGF. Rajendra Reddy made the relation relation stronger with them in organizing a seminar of one lakh people at Poochampalli. Then he became one of the important personality in AP Government while the Chief Minister was Mr. Kiran Reddy. The old process of forming the Bhoodan Board in AP, forced Rajendra Reddy to manipulate the Authorization letter of Vinobaji in the name of Veena Bahen and finally he became the Chairman with support of State Revenue officials, where all the senior Bhoodan and Sarvoday people nominated as Members gladly supported the new portfolio of Rajendra Reddy .

Role of different units in managing sale of Bhoodan land in Andhra Pradesh

- 1. Replica of Gujarat Model scam:** Gujarat Bhoodan land issues enquired and found guilty in the said transaction but no such strong action could be initiated by Sarva Seva Sangh. It was moved to be the model to manage the corruption of Bhoodan land in Andhra Pradesh.
- 2. Bhoodan Board Andhra Pradesh:** Mr. C.V. Chary was the Chairman of A P many a times since its formation. After departure of Vinobaji, Chariji had taken recommendation from Ms. Nirmala Deshpande, which was also illegal. The said process encouraged Mr. G. Rajendra Reddy to create fake recommendation in the name of Veena Bahen. It is revealed that the Board discouraged honesty, principle of Bhoodan and Sarvodaya and managed sale of Bhoodan land in appointing Rajendra Reddy.
- 3. Sarvodaya Mandal :-** Sarvodaya Mandal of Andhra Pradesh is dependent unit of present Bhoodan forum and have lost the moral pressure over illegal act of Bhoodan people. In some cases, the Sarvodaya Mandal unit has involved and support on the issue of illegal sale of Bhoodan land.
- 4. Action of Revenue Officials of AP :-** It is proved from the various documents passed by Revenue authorities of Ranga Reddy District that they have wholeheartedly supported Rajendra Reddy for correction of ROR as and when he desired, whether it is legal or illegal but in many cases, where builders are interested the corrupt revenue officials have supported.
- 5. Role of complainants :-** Mr. Shankar Naik & G. Balaji have darely exposed the illegal act of Chari and Rajendra Reddy since last six years. For this act, they have faced false cases and jailed for months together arranged and managed by Rajendra Reddy. Now they need physical support of Sarvodaya Mandal and moral with ethical support of Sarva Seva Sangh.
- 6. Sarva Seva Sangh :-** Year long silence of Sarva Seva Sangh on management of Bhoodan land in the Country has given opportunity to the Sarvodaya and Bhoodan people for transaction and sale the Bhoodan land jointly for their personal interest. The prime ideals were to make self-sufficient to the poor and landless people to live with dignity. But in this case, the Bhoodan leaders and workers of Andhra have earned in corrupt means. **In 2009, Sarva Seva Sangh had instructed to Andhra Pradesh Sarvodaya Mandal to resolve the conflict and allegations mutually in place of taking actions against the office**

bearers involved in Bhoodan land scam . The consequences SSS face today is the result of no action or silency against the land scam.

7. **GVVDS PRASAD:-** Sri Prasad has become the top victim of this Bhoodan land scam by exposing the wrong deeds of the wrong people officially which . He is always insecure , get many threats through telephone and his family peace is disturbed . The police chase him in his house and try to arrest him in many false allegations fabricated by vested interest groups with instructions from corrupt Bhoodan officials . He deserves solidarity and moral support from Sarvodaya and Sarva Seva Sangh otherwise he will face the consequence in many forms. His leadership personality through media and judiciary relation has become eye sore for many like Charry and Reddy .The seniors feel that an alternative Gandhian leadership by Prasad may be a threat to their sustainability and control of many institution around Hyderabad.
8. **Sri Sanjiv Reddy :-** He is the brother of G. Rajendra Reddy. He was a real estate business man with his brother earlier and presently involved in Diary promotion . Due to some difference among two brothers, Mr. Sanjiv Reddy extending support to Prasad and other people against Rajendra Reddy . PRASAD has appointed him as the State Organiser for Telangana Sarvoday Mandal. Though he has supported Prasad and the enquiry team in many ways but his intentions are to be re assessed . Sanjiv Reddy played important role in exposing the land scam and supporting Prasad Jee in organising meetings in different places , meeting Government officials with the help of some young political leaders of Hyderabad .Sri Sanjiv Reddy mediated police in protecting Prasad from police arrest on 5th August .
9. **Period of enquiry:-** This enquiry has fixed when the people knew that the Bhoodan Board of Andhra Pradesh has been dissolved and the documents have been seized, so that the committee cannot verify the records properly. It is the impression of general people, who think enquiry merely through interview will not help much but the verification of record will give vital proof which the committee is unable to cross check the complains .
10. The Sadnagar Vasya Mahila Samiti attack on Prasad jee was well designed by the Bhoodan Board leaders by hiring women from a neighbouring village who were politically motivated to grab the land owned by the Mahila Samiti. It was told to us that during the election campaign with Sri Jaipal Reddy in Sadnagar town Sri Rajendra Reddy came across the women group who were against the founder Sri Prasad of Vasya Mahila Samiti .The women representatives of the Samiti were paid money and arranged vehicle by Bhoodan Board chairman to create disturbances the meeting of Sarva Seva Sangh which ultimately tarnish the image of GVVVSD Prasad and high light his corruption .

11. HOW SARVODAYA WAS WEAKENED :

The process of weakening Sarvodaya and its organizations had been a phenomenon for a long time – well organized and systematically executed for past 25 years. This should be seen in the light of the split in Sarvodaya – those who went with JP, suffered jail terms during emergency, subjected to restrictions and humiliations through Kudal Commission and the like, painting Gandhian organizations and people as ‘criminals’ and the like. The other Group in Sarvodaya who supported Emergency, associated with Indira Gandhi and the Government Power, enjoyed the fruits of power, money, fame, comfort etc. , may be broadly called the SSS fraction group . Though SSS accepted Mahatma Gandhi, Acharya Vinoba Bhave and Lok Nayak Jayaprakash Narayan as the beacon lights for the organization and movement.

The other group did not confine to its power mongering but knew that SSS with its simplicity, plainness working with people would be a threat to its not so Gandhian activities. For them, Gandhi is a commodity that can be marketed and use it as a façade. In stead of confining itself to its own activities, this group had the technique of infiltration into and controlling SSS organization at different levels. This could be seen at the Pradesh Sarvodaya Mandal level, particularly the case in front of us is Andhra Pradesh Sarvodaya Mandal (APSM). This understanding would be useful and helpful in analyzing present situation in APSM in the context of Bhoodan Scandal in AP which is perhaps one of the largest in the country .

Sri C.V. Chari the Chairman of Gandhi Nidhi , AP was the instrumental in weakening AP Sarvodaya Mandal most of which are based in Gandhi Bhavan. He is President or Secretary or Trustee or Member in all organizations. He would control all organizations and decide for all of them. Nothing would happen in any of the Organizations without his consent. There is no place for new generation or any outsider. It was a own trusted group of mediocre who have nothing to do with Gandhi or Sarvodaya Movement but Gandhi treated as commodity for Mr.Chari. Association with these organizations is a personal prestige and to further their selfish ends. **They were treating these institutions/organizations as their personal property which no one can challenge him and that kind of personified leadership is the main reason in weakening the Sarvodaya in Andhra Pradesh .**

RECOMMENDATIONS:-

1. If Bhoodan is a Subject of Sarva Seva Sangh (as it is, that we have a Bhoodan Samiti) Sarva Seva Sangh has to assert the right to recommend names for respective State Governments. If there is violation of this right in any State, challenge it with all seriousness and may take legal course if necessary. This needs a strong policy decision and its implementation in Sarva Seva Sangh .
2. A full-fledged enquiry in collaboration with Revenue officials of Andhra and Telengana for a period of two weeks may be undertaken to ascertain the status of Bhoodan land, illegal sale and transfer in both the States.

3. Sarva Seva Sangh may appeal the Government of Telangana & A.P. to restore the land distributed/transferred by Bhoodan Board during period from 2004 to 2014 in violation of Govt. order of 2006 and Rule 9 of AP Bhoodan and Gramdan Act,1965. There should be a judicial inquiry into the matter and all the buildings etc. that have been constructed on these lands should be handed over to the deserving landless people. And those who have sold the Bhoodan land should be prosecuted at the earliest. Therefore, there should be a thorough enquiry into this and it should be found out under whose authorisation it was sold.The committee found that even with regard to the 1.10 lakh acres of distributed land, a large chunk has been transferred to charity organisations, real estates ,technical institutions against norms. These realtors land and buildings to be ceased by the Government with a thorough enquiry .
4. **The Government of both the states may be requested to initiate the CBI or CID enquiry against the Office bearers of Bhoodan Board from 2004 to 2014.**
5. Govt. may be moved to seize immediately the function of Vinobanagar Development Society for the reason of illegally transferring the Bhoodan land of an area Ac.50.00 in violation of rule 9 of AP B&G Act,1965.
6. The Sarvodaya and Bhoodan workers in A.P. like C.V.Chari, G.V.Subharao, Boinapali Venkata Ramarao, Rajendra Reddy, B. Damodar, R. Keshavulu and others found in the members list in the both the institutions from 1985 to 2014 are to be prevented further from loksevak membership and their present membership need to de register in Sarva Seva Sangh list .They should not be encouraged to participate any Sarvodaya /Bhoodan committee formation in any of the region. The sister organisations of Sarva Seva Sangh need to inform immediately about the Bhoodan land scandal for futher action.If it was deviated, their membership may be declared as void and inoperative by the Sarva Seva Sangh.
7. Government may moveto form separate Bhoodan Boards within six month of the board dissolve for Telangana and Andhra Pradesh for which Sarva Seva Sangh need to send a list of people from Sarvodaya back ground having honesty in all level for the formation of Bhoodan Board in Telengana and Andhra Pradesh . To expedite the recommendation process a small committee can be constituted to meet and formalise the process with Government in advance .The suggested names may be properly scrutinised before appraisal to the Government . There will be a provision that one office bearer may be managing trustee or one of the secretary of Sarva Seva Sangh would be the ex-officio member to the reconstituted Board for direct involvement in the activities of State boards.

8. A circular may be issued taking the issues of sale of Bhoodan land in Gujarat, Andhra, Vidarva & Maharastra and other states of the country to all existing State Sarvoday Mandal and Bhoodan Boards not to involve the office bearers in such heinous activities further. It is observed that in these states the members of the Bhoodan board have grabbed land in their organisation name which is illegal as per the supreme court statement. Such names be enlisted and summon them for legal action .
9. A legal cell may be formed in the Head office of the Sarva Seva Sangh by taking like minded advocates of the Country for advices in the crucial period to deal with Bhoodan land issues.
10. Involvement of alleged Sarva Seva Sangh Office bearers, ex-office bearers in such activities directly or indirectly be discouraged and they should not allow to continue in their present posts in the SSS unit.
11. Sarva Seva Sangh need to file a case in the high court against the Bhoodan Board appointment in 2012 and fraudulent nominations of Beena Bahan .Legal action may be filed immediately in form of PIL in the Supreme Court of India to restore all Bhoodan land misused other than the purposes .Any allocation of Bhoodan land by Government or the State departments may be restored .Sarva Seva Sangh is advised to pass a resolution for the further protection, monitoring and formation of Bhoodan Board in the states where ever Bhoodan Board provisions are entrusted by the Government .
12. The State Sarvodaya Mandal in Telengana and Andhra Pradesh may be formed immediately with the new constitutional norms of Sarva Seva Sangh for which one of the Secretary may be assigned to present while the election takes place .The senior Sarvodaya leaders may be requested for their support to this endeavour .Sri GVVSD Prasad and his wife live with nightmares and inviting many threats to their life in Hyderabad may advice for temporary shift to Sevagramme until the new undivided AP Bhoodan Board are formed .

JAY JAGAT
